VOTE NEXT TUESDAY ON SCHOOL BOND ISSUE

Around the Square

Conrad Munson thinks several gophers are following the example set by city workmen on Sierra Madre boulevard. He reports that the rodents have repeatedly "ploughed" up the streets near Santa Anita Court and Mountain Trail.

Francis Eakman reminds us that "Government Day" in Sierra Madre is just around the corner. He refers to the day local school children take over all city officers and duties. Last year, the City Council proclaimed it for May 24. When's it going to be this year, fellows?

Don Jackson has a stock answer for those who ask him if the Nick Harris Protection Agency sign on his door means "real protection" for his Men's Shop.

"Yes," he quips, "Nick sleeps here every night."

About those dogs. We'll be having a dog catcher in town again, but if the intent of Council is followed to the letter, the catcher won't be leading all over your flower gardens to catch some pooch.

City Attorney T. Guy Cornyn admitted that a dog catcher can't come onto private property to take some stray or your pet. He said, however, that if the chase starts in the street, the catcher may continue onto private property. (A misdemeanor committed in "the presence.")

But Noren Eaton tacked onto his motion calling for dog catcher negotiations the point that it's all legal "if he does not trespass on private property."

Okay, boys. It's the merry, merry month of May! How about those street repairs?

Don't miss the open forum at the school auditorium to-night at 8:15 with Superv. William A. Smith and Assessor John R. Quinn. And don't forget to vote for the school bonds next Tuesday.

Railway Express Office to Close

Sierra Madre's Railway Express Agency office in the PE Depot will close May 24, "because the volume of business does not warrant maintaining it," Superintendent R. R. Ripley announced last week.

At Thursday's Chamber of Commerce luncheon, however, a representative of the agency emphasized that the move is a "discontinuance of the Sierra Madre office only—not the regular service to Sierra Madreans."

Pickups and deliveries to and from Sierra Madre will be handled through the Pasadena office, 80 S. Raymond.

Full House Forecast for Tonight's Public Forum

A full house is expected at the City School Auditorium this evening (May 4), when two Los Angeles County officials will speak and answer questions on assessments. The public forum begins at 8:15.

Speakers at the open meeting are County Assessor John R. Quinn and William A. Smith, chairman of the County Board of Supervisors.

WILLIAM A. SMITH
... Supervisor

Mr. Quinn will speak from the point of view of the agency which establishes assessments on property in the county, and Mr. Smith will represent the taxing body of the county.

Questions—both verbal and oral—may be directed at the speakers following their brief presentations. Members of the Civic Club will serve as pages in collecting the written questions.

The forum is being presented by the many organizations of Sierra Madre and the NEWS. Principal sponsor of the meeting is the Civic Club, but all groups—through their membership in the Coordinating Council—are actual sponsors.

E. Eugene Lunsford, 1949 president of the Coordinating Council, will serve as moderator.

"Everyone is either directly or indirectly a taxpayer," Mr. Lunsford said this week. "This forum will provide a real opportunity for Sierra Madreans to ask questions concerning taxing by the county."

Mr. Smith has been a supervisor of the 1st District since 1938 and Mr. Quinn has occupied the office of County Assessor since the same year.

Mr. Smith will be guest at the Lions Club dinner at 7 p. m. The Lions will then attend the forum as a group.

Large Crowds Attend School Open House

More than 600 persons attended the annual Open House at the Sierra Madre City School Friday evening, April 28, as the closing phase of Public Schools Week.

Enthusiastically received was the school band under the direction of Mrs. Nora Graham, music teacher. This was the first appearance of the band. Musicians were bright red bolors.

Highlight of the evening was the presentation of a life membership in the Parent-Teacher Association to Superintendent Charles A. Skutt.

Sierra Madre Lodge No. 408, F. & A. M., sponsored the program.

Planners Suggest 428 Street Signs for City

The Planning Commission Thursday evening recommended that the city install some 428 street signs on Sierra Madre street corners.

The planners suggested that the signs be painted orange with black lettering for better visibility at night.

At the commission's meeting Thursday, City Engineer Harry H. Shatto estimated that total cost of the project would be \$3650. He pointed out, however, that the cost may be reduced somewhat because light posts or other objects may be available for attaching many of the signs.

Without having to purchase posts, the project could possibly be completed for only \$1213, Mr. Shatto said.

It was brought out that the city now has no street signs, and that some streets—for example, Michillinda and Orange Grove—present an additional problem because there are not even curbs on which to paint

street names.

The Planners granted a setback variance to Mario Bisetti because of the irregular contour of his land at 418 Sturtevant Drive.

Four hearings were set by the Commissioner for May 25: One is on the request of Jordan Wien, 375 E. Montecito, for a back yard variance to build an addition to his home within 10 feet of the rear line of his lot.

A second hearing will be held on Bethany Church's application.

RESIDENTS ASKED TO MEET URGENT NEEDS

Additional classroom space is imperative. The Community School Bond Committee is convinced that present plans for the new school building must be carried out. When they are, Sierra Madre will have found the most practical and economical way to meet all state requirements and also to give our children four urgently-needed classrooms.

R. C. Lewis
Noren Eaton,
Earl Gossard, M. D.,
R. R. Hartman,
Mrs. Nettie Jacobs
Miss Elizabeth Steinberger
Milton Valois, D.D.S.

Statement from Mayor

For the good of our community, it is our sincere hope that all voters of the city will avail themselves of their privilege to vote in the coming school bond election of May 9th in order that the results of the election will reflect the true sentiments of ALL the people.

To all of us, voting is considered a privilege and rightly so, but when correctly analyzed, it goes further than merely a privilege—it is a duty and a responsibility.

With this in mind, we are hopeful that everyone will vote.

Signed: William A. Kinney, Mayor.

Coordinating Council Elects Mrs. P. R. Woodworth President

Mrs. P. R. Woodworth Tuesday evening was elected the 1950 president of the Coordinating Council. She will succeed John Conzelman.

Elected vice-president of the group which includes representatives from all Sierra Madre organizations was Harry Eder. Other new officers are Mrs. Sam Perloff, recording secretary; Mrs. James B. Gentry, corresponding secretary; and John Wilhite, treasurer.

The new cabinet will be installed into office at the June meeting of the council.

At Tuesday's meeting, Howell N. White Jr. addressed the group on behalf of the May 9 school bond issue. He urged all representatives to impress upon their respective organizations the "necessity" of a large vote Tuesday.

Mrs. Noren Eaton spoke briefly on the Chamber of Commerce, defining its purposes and aims as being the formation of a "sound business district." She pointed out that this will "take the cooperation of the entire city."

The Chamber, Mrs. Eaton said, would welcome additional members.

Skutt Announces New Absentee Ballot Plan

Absentee ballots for the May 9 school bond election may be cast up until May 8. School Superintendent Charles A. Skutt announced this week. Ordinarily, the deadline would have been today.

The absentee ballots are available at the school. They may be filled out in the presence of a member of the School Board or a notary public. The completed ballots then may be left with a member of the board.

Mr. Skutt said the new procedure, which becomes effective today, May 4, was approved by the Los Angeles County School Board.

Council Asks Closer Look At Spending

A general "tightening up" on spending in the various city departments was called for at Saturday's adjourned meeting of the City Council.

The Councilmen decided that a "closer watch" should be kept on all expenditures of the city.

According to terms of a motion made by Councilman Noren Eaton, all purchase orders must be certified by department heads and be accompanied by a statement to the effect that the expenditure is within the balance in the budget item to which it is charged. Also, all purchases of more than \$25 must be authorized by the City Council.

City Engineer Harry H. Shatto and City Clerk Lawrence B. Brain were instructed to investigate.

P-TA Awards Skutt Life Membership

A life membership in the Parent-Teacher Association was presented School Superintendent Charles A. Skutt during the school Open House program Friday evening.

Mr. Skutt was the second Sierra Madre educator to receive this honor this year. Several months ago, Miss Betty Newton, vice-principal of the school, had received a life membership.

Normally, only one presentation is made annually. But, as

CHARLES A. SKUTT
... honored by P-TA

Mrs. Nettie Jacobs, P-TA president pointed out, "Mr. Skutt's contribution to education has been so outstanding that we voted the award to him also."

Mr. Skutt has been superintendent since 1947.

Chamber Speaker Outlines Effects of Proposition 2

Voters were wrong in thinking Proposition No. 2 of the November 1949 election eliminated all the "previous evils" in state financial aid to the aged and blind.

According to Arthur J. Will, superintendent of charities for Los Angeles County, the "liberalizing phases" of the 1949 Proposition 4 were not wiped out.

Speaking before monthly luncheon of the Sierra Madre Chamber of Commerce Thursday, Mr. Will stated that an "obscure statement" in the proposition stipulated that the State Legislature may alter the relief program "as it sees fit."

"As a result," the Charities superintendent said, "during the last session of the legislature, 48 bills were introduced—

all designed to reinstate the over-liberalized features of state aid.

"I spent six weeks in Sacramento myself, trying to knock down these liberal tendencies," Mr. Will said.

The speaker explained that returning the aid program to county control will cost the taxpayers \$100,000.

Proposal Must Pass by Two-Thirds Majority

Voters go to the polls next Tuesday, May 9, to decide the educational future of Sierra Madre children.

On the ballot is a school bond proposal which would provide four additional classrooms for the City School. It requires a two-thirds majority for passage.

The \$86,000 bond would pay for the classrooms, approximately two acres of land adjacent to the present school for the site, and necessary equipment for the rooms—all in conformance with state regulations.

Cost to the average home owner, one having property assessed at \$2000, has been estimated at \$2.50 a year, based on a rate of 12½ cents per \$100 assessed valuation.

The polls at four voting precincts will be open from 7 a. m. to 7 p. m.

School Superintendent Charles A. Skutt has stated that the proposed additions will satisfy "immediate needs only."

"We definitely are not overbuilding," he has pointed out. "The four classrooms are what we urgently need—right now. They would be completely occupied—down to the last seat—by the date of completion in September, 1951."

The School Board has explained that—should the issue be defeated—double sessions at the school are "inevitable."

Members of the Sierra Madre Parent-Teacher Association have been waging a house-to-house campaign urging passage of the issue. There is no known opposition.

Among the local organizations which have drawn up resolutions supporting the school bond are the Kiwanis Club, Guild to the Children's Hospital, the Civic Club, and the City Teachers' Club.

Mr. Skutt said yesterday there are an estimated 4200 persons eligible to vote in the Sierra Madre School District, which includes parts of four out-of-town precincts as well as the city.

Precinct No. 1, consisting of regular election precincts Nos. 2, 4, 9, and 15, will be at the City Hall, 55 W. Sierra Madre boulevard.

Precinct No. 3, including regular precincts Nos. 3, 5, 8, and 13, will be at the Canyon Pool Bath House, 544 Woodland Drive.

VFW Post Faces Possible Liquor License Suspension

The Sierra Madre VFW Post today faced a possible liquor license suspension because of alleged violations at the Old Adobe last March 8.

Inspectors for the State Board of Equalization cited the club on that date for allegedly selling liquor to those other than members or guests of members.

A hearing was held before Examiner George Bellows at the Black Building in Los Angeles yesterday. Appearing for the VFW club at the hearing was Post Commander Louis LaLone.

Examiner Bellows is expected to make a recommendation to the full Equalization Board at its next meeting May 18, or at a subsequent meeting, June 22.

The general policy of the board for first violations, if substantiated, is a 15-day liquor license suspension.

City Nursery School Dance Attended by 250

More than 250 Sierra Madreans danced to the music of Ed Costello's 13-piece band Saturday evening at the Nursery School Association "Big Top" Dance.

Every person attending the dance was immediately snapped into the "circus mood" by entering the Woman's Clubhouse through an enormous hoop, held by a realistic-looking cardboard clown.

Red and white streamers and a cluster of balloons featured the decorations, which were arranged by Mrs. John Carr.

Honored guests at the dance were staff members of the Nursery School Association. They are Mrs. Marjorie Green, Mrs. Alice Tyson, Mrs. Gay Betten-court, and Mrs. Myrtle Randolph.

Ward Lists Voting Places For Election

Edwin W. Ward, chairman of the Sierra Madre City School Board, this week reminded citizens of the location of the four voting precincts for Tuesday's School Bond Election.

Precinct No. 1, consisting of regular election precincts 1, 10, 12, and 14, will be at the City School. This precinct also includes portions of these regular precincts lying within the school district: Altadena No. 55, Duarte No. 1, and Lamanda Nos. 14 and 16.

Precinct No. 2, consisting of regular election precincts Nos. 2, 4, 9, and 15, will be at the City Hall, 55 W. Sierra Madre boulevard.

Precinct No. 3, including regular precincts Nos. 3, 5, 8, and 13, will be at the Canyon Pool Bath House, 544 Woodland Drive.

Precinct No. 4, consisting of general precincts Nos. 6, 7, and 11, will be at the Canyon Pool Bath House, 544 Woodland Drive.

VFW Raiders To Play 1st Home Game

First home appearance of Sierra Madre's baseball team, the VFW Raiders, is planned for this Sunday afternoon, 2 p. m., at the city ball park.

Matched against the local semi-pro nine will be the St. Alphonso Oaks.

Team Manager Larry Shepherd reports that the team has been practicing long and hard during the past three weeks. The Raiders have been accepted as members in the Southern California Baseball Association.

Mr. Shepherd expressed the hope that all Sierra Madre baseball fans will turn out Sunday to support the first local ball team in many years.

Sunday's contest is the first of a series of games to be played here every week. All games will start at 2 p. m. Visiting teams are authorized by the SCBA, which scheduled games two weeks in advance.

In conjunction with Sunday's game, Mr. Shepherd issued a call for help in raking the field before game time.

"It should be a community project," Mr. Shepherd said. "If we all pitch in, the job will take only a few minutes."

He reported that volunteer "rakers" report at the field at 1:30 p. m.

Second Annual Girl Scout Festival Draws Big Crowd

The second annual Girl Scout Festival held at the City Park Saturday afternoon was attended by nearly 500 Scout parents and friends. All troops participated in dances and songs representing different countries of the world.

Girl Scout handicrafts, flowers and refreshments were sold in the many gaily decorated booths.

Highlighting the program was a Lithuanian dance done by adult Troop Leaders. The loud speaker system was donated by the Fire Department and operated by Charles Brown.

The final number was an English Maypole dance done by the 26 members of Troop 12, and led by Mrs. George Andrews. Mrs. George Osborn directed the entire festival, assisted by Mrs. John Hildner in charge of singing, and Mrs. William Rogers instructing the dancing.

The program included: Czech March Song by all Scouts, Brownies and Leaders; Mexican Mixer, Scout and a Brownie Troops 15 and 13; Hawaiian Dance, Troop 15 accompanied by the Mariners; Lithuanian Dance, "Koja Kojas," Troop 14; Swedish "Schottische," Troop 3; Mexican Dance, "La Raspa," Troop 13; Square Dances, "Indian Style" and "Parlez Vous," Troop 17; Songs, "Come to the Fair" and "Welcome, Sweet Springtime," all Brownies and

Scouts; Scottish Dance, "Gay Gordons," Troop 18; "Norwegian Mounted March," Troop 8; Dutch Dance, Troop 16; Swiss Dance, "Meitschi Putz Di," Troop 9, and the Czech Dance, "Tatra," Troop 11.

Girl Scouts Starting Oslo Correspondence

Girl Scouts of Sierra Madre Troop 9 hope to correspond and possibly exchange gifts with Girl Scouts of Oslo, Norway.

The local girls recently sent snap shots of troop events to the Norwegian girls, including pictures of the annual Festival held Saturday.

Mrs. Hjordis Kittel Parker, who plans to leave for Norway within two weeks to photograph her latest lecture film strip, has promised to take pictures of Norwegian Girl Scouts for the local girls.

Sierra Madre girls who already have written letters overseas include Mary Kellogg, Jane Lange, Cathy MacAulay, Daryl Timmons, Alice McGlaulin, Sharon Plasket, Nancy Rogers, Nina Shearer and Sue Thayer.

Coroner Studies Apparent Suicide

The County coroner this week was investigating the apparent suicide of William Edward Haynes, 1456 N. Fair Oaks, whose body was discovered Saturday afternoon in a vineyard just west of the city limits.

The body was found by Leslie Delpardang of Duarte, who reported it to Sierra Madre police officers. The deceased parked in the vineyard west of Michillinda and north of Sierra Madre boulevard.

All windows of the car were closed, and the exhaust pipe had been plugged. Police said a portion of the floor boards had been ripped up to expose the car's muffler.

Sierra Madre officers released the case to deputies of the Alhambra Sub-station.

CARE WEEK, May 1-7, was officially proclaimed for Los Angeles County by the Board of Supervisors. Raymond V. Darby, who introduced the proclamation was assisted by four youngsters representing some of the countries in which care operates: (left to right): Susie Sogabe, 8, Japan; Jeannine Halet, 9, France; Helga and Peter Aschwander, 9 and 7, Germany. CARE orders may be sent locally to CARE, 217 West Ninth, Los Angeles 15.

FIRE FLAMES

According to Fire Facts, last year's fire loss throughout the United States was \$667,536,000. This is just a slight bit less than the record year of 1948. The loss for the past 10 years reached the astonishing total of \$4,835,549,520.

If we do not have fires here, let it be said that it is because we are fire conscious and cannot forget the ferocity of fire. Once we begin to feel that nothing ever happens here, we are ready for a fall. Your local fire fighters are serious in their efforts to keep down fires.

Fires that never start are the sort we like. We are not in the fire game to gain glory by heroic ladder climbing, shooting a straight nozzle or eating smoke. We want to avoid all of this notoriety that we possibly can, just because we realize the danger of fire.

We will do our utmost to prevent fires even though it may include much inconvenience. It is a FACT! We DO NOT WANT FIRES!

Those fire fighters and their wives and friends who attended the "Cuss Can" dinner at St. Rita's last Saturday all declared a good time was had by all. All vouched that they would return at the very earliest date possible. All that is needed for a return engagement is the sprouting of the "Cuss Can."

According to Friday's regular meeting, there will not be too long of a lapse. Those who insisted an interrupting the chairman found that fires were in accord. During the meeting many important matters of fire fighting interest came before the house.

A fire drill that took the men and equipment to the new monastery to locate and use new fire plugs was a very interesting experience. To reach high altitudes, the men learned the necessity of the pumping machines. Hydrants coming from reservoirs along the hillside will prove of inestimable value when needed to fight fire.

Following the drill, Brother "Pat" furnished fresh coffee and cookies which were NOT declined.

To make such runs with the large equipment only opens to us the vastness of our responsibility. Sierra Madre is no longer a town of a few houses within a small area. We are now a city of many houses within an area of heavy traffic.

More thought should be given to future fire safety. A survey by those who know should

Boy Injured In Bike Fall

Carrying a bucksaw on his bicycle proved a bad combination for Douglas Peterson, age 10, Saturday when he crashed into a parked car.

Douglas, who lives at 145 Santa Anita Court, told police he lost his balance and ran his bike into the side of a car parked in front of 71 Suffolk.

Dr. P. R. Woodworth reported the boy's injuries as contusions of the mouth, nose, and chin. In addition, two front teeth were knocked out in the accident.

WOMAN MANGLES FINGERS IN MIXER

An injured Pasadenan, who mistakenly thought Sierra Madre had an emergency hospital, was rushed to St. Luke Hospital for treatment by local officer H. S. Embree.

The woman, Mrs. Barbara A. Perry, had mangled her fingers in a concrete mixer while working on her new house Saturday at 3790 Canfield Drive, Pasadena.

Thinking she could receive emergency aid sooner in Sierra Madre than by journeying to downtown Pasadena, Mrs. Perry frantically drove here.

Dartmouth Graduate

Mr. and Mrs. Murray Hawkins of 610 N. Auburn, left this week for New Hampshire, where they will attend the graduation of their son, Murray Hawkins Jr., from Dartmouth College.

They also expect to visit their former home at Cleveland, Ohio.

Pasadena Art Institute Displays Architecture

Featured this week at Pasadena Art Institute, 46 N. Los Robles avenue, is an architectural show featuring examples of residential and commercial designing by architects in this area.

The display is presented by the American Society of Landscape Architects, in cooperation with the Pasadena Chapter, American Institute of Architects.

Also currently being exhibited is sculpture by Albert Stewart and a carnival of kites and toys.

Pack 2 Welcomes

Boys of all Faiths

Cub Pack 2 announced this week that it is open to membership of Sierra Madre boys of all races and religious creeds.

R. W. Lees, public relations chairman for the Sierra Madre Boy Scout District, pointed out that members of Pack 2 feel eligible Protestant boys have hesitated to join their unit because it is sponsored by Holy Name Society of St. Rita's Church.

"Scouting is non-sectarian," Mr. Lees emphasized. Although most Scout units are sponsored by churches, membership is never limited to members of the sponsoring organization.

Last Sunday, Pack 2 Cubs presented a fund-raising barbecue at the home of Martin F. Coleman, 520 N. Michillinda.

PATIENT AT SAWTELLE

George H. Cox, a familiar veteran to Sierra Madreans, entered the Sawtelle Hospital Tuesday for treatment. Mr. Cox, who lives at 70 E. Montecito, has been ill most of the winter, suffering an attack of pneumonia in January.

ARTIST ENDS VISIT HERE

ARTIST ALFRED James Dewey, as portrayed on canvas by another artist, Raymond Olivere. The oil painting was presented to Dewey last week as Mr. and Mrs. Olivere left the area after a

Raymond Olivere, magazine illustrator and portrait painter, departed for New York last week, but he left something behind that another artist, Alfred James Dewey, will treasure forever.

The "something" is an oil portrait of Mr. Dewey, president of the Sierra Madre Arts Guild and designer of many city Rose Parade floats.

Mr. and Mrs. Olivere have been visiting in the area for the past two months (Mrs. Olivere is the former Katherine Howett whose parents live in Monrovia). During this time, the artist has spent much time in the "Brick Oven" at 28 Windsor Lane.

"I've enjoyed the visit very much," Mr. Olivere said, "and Mr. Dewey has given me many valuable pointers to help my work."

He admits that he came to California with his "tongue in his cheek," not expecting to find any of the "terrific" art atmosphere that is so obvious in New York.

"But I found it all—right here

in Mr. Dewey's studio," Mr. Olivere declared.

The portrait of Mr. Dewey bears the following signature:

"To Alfred James Dewey . . . for your kindness, encouragement, and wonderful sense of humor, Raymond Olivere, April, 1950."

Mr. Olivere has studied under three scholarships at the Wilmington Academy of Art—the earliest of which was awarded when he was only 10 years old.

Curiously enough, the founder of that academy, Howard Pyle, also was at one time Mr. Dewey's teacher. Mr. Pyle is considered the "Father of American Illustration."

He also studied with famed artist N. C. Wyeth, and at the Art Studios' League of New York.

At the age of 18, Mr. Olivere halted his own formal education to teach others. He was art teacher at a high school for one year before being called to duty with the U. S. Army.

While in the service, he attained the rank of staff sergeant, being stationed in Honolulu and Washington, DC. During the latter assignment, Mr. Olivere was a medical illustrator at Army Medical and Walter Reid Hospitals. His duties consisted of illustrating surgical procedures.

"It also gave me an opportunity to learn more about anatomy—and essential part of every portrait painters training," he explained.

Two of the most prominent persons Mr. Olivere has painted are Maurice Evans, Shakespearean actor, and Actress Ingrid Bergman.

Shortly after being discharged from the Army, Mr. Olivere went to New York, where he worked for American Home Magazine for two years and also did free-lance illustration for other magazines and advertisements.

Future plans? Upon returning to New York, he plans to continue his commercial illustrating and portrait work. Mr. and Mrs. Olivere plan to visit California again next year.

Away in the future is a possible trip to Rome for additional art studies.

Camp Fire Girl Adult Training Course Opens

An instruction and training program beginning today and continuing through June 8 was announced this week by the Sierra Madre Camp Fire Girls District.

Meetings are to be held from 10 to 12 noon every Thursday at the Park House.

The course is planned to acquaint mothers of girls in Bluebirds and Camp Fire Girls with the program in which their girls are enrolled. Information will be offered on the development of the child and what can be expected at different ages.

Also planned is training in handicraft, folk dancing, games and dramatics. All Sierra Madre adults are invited to take part in the course.

Women To Hear Music

A musical program is planned for next Wednesday's meeting of the Sierra Madre Woman's Club, according to Program Chairman Mrs. John Fergus.

Mr. and Mrs. Earle Anderson, prominent baritone and lyric soprano soloists, will present a concert of vocal music. They will be assisted in several duet numbers by Mrs. Fanny Kingston.

Following the program, Woman's Club members will view a film, "The Mystery of Plant Life," presented by an oil company.

At the April 26 meeting of the club, Sierra Madre Artist Mrs. Helen Narozny presented the program. She exhibited a number of her portraits and showed many mounted reprints to illustrate her talk on modern art.

Among the special guests were Mrs. Winifred Scutt of Pasadena and Mrs. C. M. Supper and Mrs. Elinor Bauneister of Alhambra. Other local artists present were Mrs. Lee Cash, Mrs. Ivan McIvor, and Mrs. M. Mildner. Mrs. McIvor and Mrs. Hildner had portraits and landscapes on exhibit.

Educational Films

Scheduled for Garden Club

Two sound moving pictures will highlight the Garden Club program next Monday evening when Homer Green, insecticide expert, will show "How to Grow Beautiful Roses," the year-around cycle of rose culture, and also "The Mysteries of Plant Life," a remarkable flower film.

Mr. Green will speak also on the subject of "Garden Pests and How to Get Rid of Them," a subject pertinent to this season's problem of unusually large and persistent array of pests in the area.

The meeting, as well as the regular monthly dinner at 6:30 at the Sierra Madre Woman's Clubhouse, is open to the public. Dinner reservations may be made with Mrs. Daniel D'Arcy.

In the absence of President Murray Hawkins, who is on an extended trip East, Jacques Hahn will preside and take charge of the Question Forum on "The May Garden."

Rev. G. T. Stephens to Present Church Series

The Rev. George T. Stephens of Wilmington, Delaware, will conduct a two-weeks Good News meeting at the First Baptist Church of Altadena. Services will be held each night at 7:45 beginning this Tuesday.

The Rev. Stephens presented a similar three-weeks program at the Sierra Madre Bethany Church last January.

All Sierra Madreans are invited to attend this series.

THIEVES ABANDON TRUCK WHEN IT WON'T START

Theft of a pick-up truck apparently was foiled last week when thieves were unable to get the vehicle started.

Horace R. Botello, 600 E. Sierra Madre boulevard, reports that he had been trying to repair the truck and was amazed to find it missing from in front of his house one morning last week.

Mr. Botello recovered the truck himself that evening, as he was driving near Oakwood and Orange Grove Drive in Arcadia.

"That made it two surprises in one day," Mr. Botello said. "I just looked up and there it was."

He said a cushion, a pair of pliers, and two screwdrivers were stolen from the truck. It apparently had been towed away.

Dr. Groth Sr. Leaves On Month's Journey

Dr. George Groth Sr. of 233 Santa Anita Court, leaves Saturday for a month's vacation. First he will visit his daughter, Mrs. Al Rochat in Spokane, Wash., then on to Detroit to pick up a new car.

Legion Warns of Phony Solicitors

Citizens this week were warned to beware of persons posing as advertising solicitors for the American Legion.

Reports have come to the attention of Legion officials of attempts to sell advertising in connection with the Legion's National Convention in Los Angeles next October 8 to 12.

National Convention Director Ed. W. Bolt emphatically declared that no Legion solicitors are in the field seeking advertising.

al members—either organizations or individuals.
Eleanor Hinshaw reminded council members of the coming rummage sale of the Mariner Scouts. In asking for items which can be offered for sale, she quoted the motto of the sale as being: "Everything and anything you don't want, we can use."
Mrs. Woodworth urged representatives to "push" attendance at Thursday evening's public forum at the City School auditorium.

She appointed Mrs. John Pascoe and Mrs. Robert Bettencourt to a committee to work out details for another forum "sometime after May 9" at which the three candidates for the City School Board would present their views.

COUNCIL ASKS
tigate the possibility of rearranging offices in the City Hall. The office now occupied by the building inspector would become a business and reception office; and the room behind the Council Chambers would be designated the mayor's office.
The change was suggested for the "improved appearance of Sierra Madre's city offices and for the added convenience to the public."

The Council also: Referred to the police committee Chief Gordon G. McMillan's request for a new police car and miscellaneous police equipment.
Accepted the auditor's report.
Approved payment of city warrants amounting to \$19,956.70. Three items—two concerning uniform purchases of city policemen, and one a building permit refund—were not OK'd pending further study by the Councilmen.

Deferred consideration of bids for the purchase of pipe pending a written recommendation by Director of Public Works, Harry H. Shatto.

Authorized Mayor William Kinney to arrange a meeting with one of the two protestants in Sierra Madre's application for 5000 acre feet of water at the "earliest possible date."

Held a hearing on J. C. Hansen's proposed annexation of approximately eight-tenths of an acre of the Hastings Ranch. The parcel is a corner of a 24-lot subdivision planned by Mr. Hansen on North Michillinda. There were no protests, and the matter was referred to the committee of the whole and to the city attorney for negotiating terms of the proposed annexation.

Heard a request from E. Eugene Lunsford for new water service at 600 N. Michillinda. Mr. Lunsford's property lies further north than the regular 40-foot connecting distance to water mains allowed by the city. The request was referred to the water committee.

COMMITTEE TO-

include types of business not now offered here.

Chamber President Al E. Morgan thanked Mr. Stein for making the survey and announced that he will appoint the Merchants' Committee by the end of this week.

The Directors voted Sam Perlof a member of the Board. He will fill the vacancy created by the resignation of Harold Spears.

J. C. Loomis Jr.: I've heard it said that the site will cost too much. Please bear in mind that the land in question is not bare lots; houses must be condemned to provide school.

Harry Lange: One person commented to me that the school plans to buy too much land for the proposed additions. I would like to point out that the site is the minimum amount of land the state would approve for four classrooms.

plication for a variance on a lot adjacent to the church to allow enlargement. If approved, the lot would be rezoned from R-1 to C-1. No protests were brought forth at the first hearing last Thursday.

Another hearing concerns Mrs. Ethel M. Miller's request for a variance to permit her to use her residence at 159 W. Montecito as a rest home for two elderly patients. Mrs. Miller has pointed out that the rest home would not be used for mentally ill or for persons having contagious diseases.
The fourth hearing will be on the application of five property owners on West Grandview for a zone change from R-1 to R-2. Concerning this change, the Planners received a letter of protest from Mrs. Ione E. Ward. Second hearing on this matter will be on June 22.

Two applications for subdivision were held over until subsequent meetings. They are the proposed J. C. Hansen subdivision on North Michillinda and the Wysocki subdivision. Mr. Wysocki at present is in Europe.

The Planning Commission reaffirmed its previous decision that William Regan may proceed with his construction on 2 95-foot lots. The original permission had been granted nearly two years ago by the Planners.

Proceedings recently were started in Los Angeles to deed him 5 feet from his next door neighbor. The neighbor, in turn, hopes to receive five feet from a third neighbor. The area in question, the J. F. Hook tract at Lima and Grandview, was erroneously surveyed several years ago.

payers of Los Angeles County 13 million dollars, beginning July 1.
"This figure—which would amount to 29 cents on the present tax rate—represents what the state formerly had been paying to the aged and blind," he said.

Concerning aid to the indigent poor or needy, Mr. Will urged citizens to do all they can to prevent persons who really do not need help from "gouging" the taxpayer by applying.

"I have a phone both at my home and in my office," the superintendent said. "Please call me anytime if you know of a family that is chiseling on relief."

Commenting on the seven hospitals and two convalescent camps operated by Los Angeles County, Mr. Will pointed out that there are 11,000 persons employed directly or indirectly to maintain these facilities—approximately one half of the total county employees.

"And all reports to the contrary, the General Hospital is rated with the best in America and it gives the finest type of medical care," he said.

Al E. Morgan, president of the Chamber, presided over the meeting and introduced the speaker.

The Rev. Carl Smith: Our adults of tomorrow must be adequately trained. Vote YES next Tuesday. It is everyone's responsibility.

T. W. Neale: If you live in Sierra Madre, the responsibility is yours to educate the children. Vote YES on the school bonds—even if you are retired or have never had any children of your own.

209 N. Baldwin was referred to City Engineer Shatto.

The Planners also authorized the splitting of E. W. Lawrence's 100-foot lot at 227 W. Orange Grove into two 50-foot lots.

Sylvia Worthington Plans June Wedding

June 24 has been announced as the wedding date for Sylvia Dawn Worthington, daughter of Mr. and Mrs. Joseph Worthington of 525 Brookside Lane, and James Albert Brunet, son of Mr. and Mrs. James Brunet of Big Bear City, Calif.

A formal evening wedding will take place at the Congregational Church.

Miss Worthington has lived in Sierra Madre most of her life and is at present enrolled at Pasadena City College. Mr. Brunet, a Navy veteran, attended Cal Tech and is now studying psychiatry at U.C.L.A.

A personal shower and buffet supper for the bride-to-be will be given next Thursday by her aunt, Mrs. Jack Smith of Los Angeles.

Girl Scout Board

The Girl Scout Board of Directors learned at their Monday meeting that \$25 was collected for the Juliette Leow Fund through donations at the Scout Festival in the Park, Saturday. The meeting was held at the home of the president, Mrs. John E. Conzelman.

Discussion centered around the regional conference at Asilomar for presidents and vice-presidents, due May 23 through May 25. Mrs. President Conzelman, Mrs. George Osborn and Mrs. Miriam Hildner will represent the Sierra Madre Scouts.

MAPHAS MEET MONDAY

Maphas will meet Monday evening at the home of Mrs. John Seynour of Pasadena. Mrs. Marian Potter will be co-hostess.

Elect New Nazarene Missionary Officers

New officers were elected at the Nazarene Missionary meeting Monday night, at the home of Mrs. Everett Osborn of Duarte. Co-hostess was Mrs. Alvin Bentz.

President is Mrs. Frances Stepp, vice-president, Mrs. Geneva Cochran; secretary, Mrs. Theora Smith; treasurer, Mrs. Melba Sandys; superintendent of study, Mrs. Anna Bass, and prayer and fasting secretary, Mrs. Eddys Fowler.

Don Jackson: Voters must remember they are not just buying four classrooms for the \$86,000. Cost of the two-acre site includes the expense of condemning three houses now on the land.

To Visit Daughters

Mrs. John Fergus and Mrs. Herbert Dowding of this city leave tomorrow for La Mont School, near Bakersfield, where they will attend a Mother and Daughter Teachers' Banquet.

Both Joyce Fergus and Lillias Dowding are teachers at La Mont School. Mrs. Fergus and Mrs. Dowding expect to return Saturday.

E. Eugene Lunsford: There's really only one question to be answered. Do we think enough of Sierra Madre to want to plan for the future? Vote YES on Tuesday.

Judith Green Gives Piano Recital Here

Eleven-year old Judith Green was presented in a piano recital at the studio of Mrs. George Morgridge, 18 W. Orange Grove, Friday night. She is the daughter of Mr. and Mrs. Robert H. Green of West Sierra Madre boulevard.

Judith's program, which consisted of all original scores, included works by Beethoven, Heller, Mozart, Merkel, Pierne, Mendelssohn, Durand and Grieg.

Return Visit Active

Mrs. Sylvia Quittner, former Sierra Madrean now of Santa Barbara, spent four days here last week visiting many old friends.

She was a houseguest at the home of Mrs. Mabel Layfield of West Grandview and Mrs. Bertha Irvine of San Gabriel Court. Thursday afternoon she was honored at a tea given by Mrs. Randolph Wood of 38 E. Grandview. That evening she attended a meeting of the local American Legion Auxiliary, of which she is Past-President.

BRIDAL SHOWER

Mrs. Lawrence Doughty of 25 N. Lima, entertained 15 friends last Tuesday evening at a bridal shower for Shirley Howe of Pasadena. Miss Howe became the bride of Arnold Brown the following Thursday.

Lee Shippey

Sierra Madre has the best looking school we know of. When it was built, we were so proud of it that we wanted everyone to see it.

But our city has grown a lot since then. We're still proud of the school, but we're going to have half-day sessions if we don't vote the bonds for additions.

We never have failed to give our children a fair chance and we must vote those bonds to keep on giving them a chance. We have to do it for fair play and our town's good name.

Frank Vanes & Son

Mr. and Mrs. Frank Vane and son, Terry, moved last Thursday to Seattle, Wash. Their home at 145 Lowell has been purchased by Mr. and Mrs. Russell Gates, formerly of the Naval Base at Inyokern. The Gates' have a son, John, enrolled at Woodbury College.

During several years' residence in Sierra Madre, Mrs. Vane was active in the Civic Club, Nursery School, and is a former Mapha Club President. Mr. Vane is associated with the Veterans Administration.

VISITS PARENTS

Louis Van Iersel Jr. of Davis, Calif., spent two days last week at the home of his parents, Mr. and Mrs. Louis Van Iersel of East Montecito. In June Mr. Van Iersel Jr. is due to complete his agricultural training at Davis College.

Al Myers: We must vote YES for the future leaders and residents of Sierra Madre. Don't forget, however, that it will take two "yes" votes to cancel every "no" vote.

David Roess: A "yes" vote is a must next Tuesday for every true Sierra Madrean.

MAY DAY AT NEWS

The Sierra Madre NEWS enjoyed its annual May Day basket from Mrs. W. S. Hull Monday morning. This year it was a gorgeous armful (and we mean armful) of variegated sweetpeas.

MASONIC LODGE HOLDS ELECTION

At a special election Tuesday night of Sierra Madre Lodge No. 408, F. & A. M., Thomas E. Poligreen was selected junior warden.

Three appointments also were made at the meeting. Harry B. Humphreys was named senior deacon; James W. Moore was appointed junior deacon; and Henry Vis is the new senior steward.

Stephen B. Skidmore, inspector of the 93rd Masonic District, installed the new officers.

Masonic Master Adams Convalescing at Home

John W. Adams, master of Sierra Madre Lodge No. 408, F. & A. M., is convalescing from an illness that has kept him confined in bed much of last month.

The Masonic leader hopes to be sufficiently recovered to return to his lodge duties "very soon." Mr. Adams lives at 623 Woodland Drive. During his illness, Senior Warden John C. Mead has been acting master.

John Fitzgerald: An average expenditure of \$2.50 a year for the school children won't break anyone.

Fireside Rites for Shirley Howe and Arnold Brown

Mr. and Mrs. Arnold Albert Brown are honeymooning this week on their cabin cruiser at Newport Beach, following their marriage at eight o'clock Thursday evening, April 27. When they return they will live in Pasadena.

The wedding took place before the fireplace at the home of the groom's mother, Mrs. Clara Varney of 46 N. Lima. Sprays of mock orange blossoms, pink and white sweet peas, pink roses, and baskets of calla lilies decorated the living room.

Rev. Clarence Nida of the Bethany Church united the couple. The bride, the former Shirley Howe, daughter of Mr. and Mrs. Howard Jones of Pasadena, was given away by her father. She wore a Navy blue ensemble, white accessories and carried an orchid bouquet. Her matron of honor, Mrs. H. R. Mecca of this city, wore a green silk shantung suit, black suede shoes, bag and gloves and a corsage of gardenias.

Best man was Jack Childs of Pasadena.

The groom was raised in Sierra Madre and attended Pasadena City College. The bride received her schooling in Seattle.

Mrs. Grace Vane: I favor the school bond issue because it is the most practical and economical method of providing needed classrooms.

Suki Yaki Dinner

A "Suki Yaki" Japanese dinner will be served to Bethany Church Mariners tonight, by Mr. and Mrs. Ray Obezawa. Co-hosts and hostesses will be Mr. and Mrs. Bill Sparger and Mr. and Mrs. Malcolm Wallace.

Later in the evening a technical sound film from a China Inland Mission will be shown.

Takes Lancaster

Bride April 30

Several Sierra Madre families attended the Evans-Wood wedding in Lancaster, April 30th. The bridegroom, Edwin Vincent Evans, was born in Sierra Madre, his parents being Mr. and Mrs. Arthur T. Evans. They moved to Lancaster several years ago. The young man's grandfather is W. A. Evans of W. Montecito and his aunt is Mrs. Rudolph Hartman.

The wedding took place in the Community Methodist Church. The bride, Lois Theresa, is the daughter of Mr. and Mrs. Earl I. Stewart of Lancaster.

John H. Osgood Jr.: I'm for the school bond issue this time.

W. S. Hull: Although my children have already been educated, I strongly favor the bond issue. It is the responsibility of all citizens of a community to provide school facilities for the children—even if they, themselves may never directly benefit from it.

An Editorial:

There's Only One Question To Answer Next Tuesday

The issue faced by voters next Tuesday is a simple, clear-cut one. It is this:

Do you want Sierra Madre to have adequate school facilities for its children, or do you not?

It's as simple and direct as that. There are no other factors clouding the one issue.

Sierra Madre must have the four additional classrooms. If we assume every thinking citizen realizes this, the rest is purely mechanical. By state law, a school bond issue must pass by a two-thirds majority.

The bond issue of May, 1948, although winning a slight plurality of the votes cast, failed because it lacked the necessary two-thirds majority. Results of that election were 650 "yes" votes to 627 "no" votes.

Keeping this in mind, it is not enough to just "mentally approve" the present school bond issue. You must put your opinion on record by voting next Tuesday. It will take two "yes" votes to override each "no" vote cast.

The NEWS sincerely recommends that you vote YES.

The school children of Sierra Madre look to you.

POLICE BLOTTER

Reviewing the past week, the police log is a little different than it has been for many weeks. Dogs remain on the number one list, boys continue to throw rocks. Families have their disagreements, think the cops can do something about it.

Auto drivers take a side glance down the street and if the police car is not visible, they turn around in the street or slide through a boulevard stop. Some of these drivers are right nice people too. Something gets into a person back of a stearin' wheel.

Well, let's see. Here's a boy breaking street lights. He got caught. He wasn't as fortunate as that fellow who went through the boulevard stop. A drunk driver runs into a City truck. He is working out his fine as a City employee.

A long lay of transmission wire from an aerial is picked up. A missing boy. Don't take flowers from someone else's lot. She did and the owner was sore. Dog bite. A river running down Sturtevant Drive was water from a burst pipe under Oakdale Drive.

The above missing wire was found, in pieces, and the owner asks that we forget it. The parents of the boys will pay for it.

Small boys make smoke in a shed. Coppers run there expecting a fire. 'Twas an experimental smoke bomb in the making. A stolen truck is found on the same day. It had reached Arcadia. Burning out of hours. Citation issued. Watch that.

Broken sidewalk. A "Steam Roller" had steamed over it. Any wonder it broke? Stolen garden implements. Boys with flares near the mountains cause anxiety.

Officer Embree started home for lunch at 1:00 P. M. He was called by radio to investigate boys with a vicious dog and "sicking" it on persons. While talking with the boys, he was assigned by radio to investigate a possible dead body in an auto. He found it so. While there, he was urged to hurry to an injured boy on Suffolk. He leaves the scene of the dead body.

After the injured boy detail, he returns to the other. At 2:55 P. M. he radios that he is now headed for home to lunch. At 2:56 P. M. he radios that he is enroute to St. Luke's Hospital on an emergency. At 3:15 P. M. he returned to the station. He had rushed an injured woman to the hospital. After making a brief report, he left for his lunch. He did not eat an early dinner.

Shoe Store Owners Long in Business

Samuel Reid and Rex Dickinson, who between them represent nearly 70 years in the shoe business, are now operating Reid and Dickinson's Shoe Store at 40 E. Huntington Dr., Arcadia.

Mr. Reid broke into the shoe business at Clarksburg, W. Va., 30 years ago, while Mr. Dickinson started as a shoe salesman 38 years ago.

Mr. Dickinson studied at the Illinois College of Chiropractic and later became interested in shoe making. He has conducted shoe fitting surveys throughout the nation.

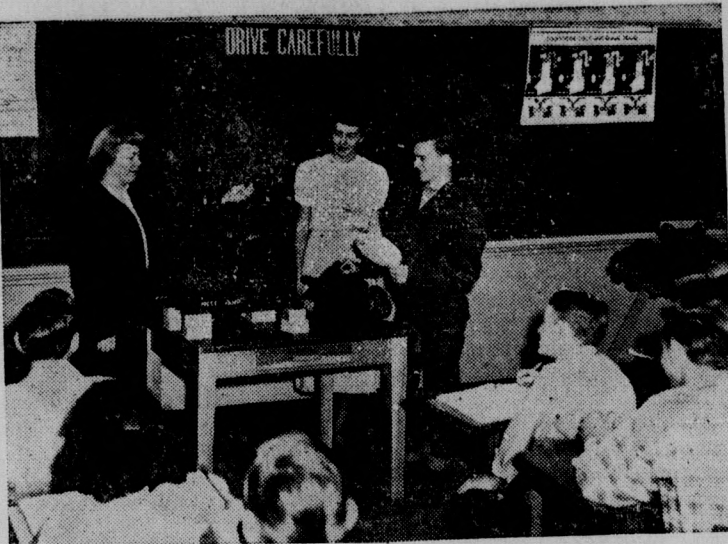

Orthopedic work is handled at Reid and Dickinson's, including the fitting of prescription shoes. An x-ray machine for fitting is available.

Girls' Softball Team Accepted In Sunset League

The Junior Girls' Softball Team of Sierra Madre was notified this week that they have been accepted in the Sunset League. This League, made up of San Gabriel Valley teams, plays according to American Softball Association rules.

Tonight (May 4) at 7:30 they will play a practice game with the Alhambra Colleens at the local Grammar School.

MISS GLADYS L. JAHR (left), Monrovia-Arcadia-Duarte high school instructor, gets student participation from Meredith Babaux and Duane Davidson in explanation of the function of engine parts. The study is part of a 6-weeks' unit on driver education given to all MAD students.

BARLOW'S POEM HONORS CAMELLIA

As the 1950 camellia season comes to a close, Albert T. Barlow brings forth this tribute as a poem which he wrote more than 11 years ago.

Mr. Barlow, 361 E. Sierra Madre boulevard, is known among horticulturists as a gardening authority. The poem:

Camellia Flower
Camellia flower, I bow to thee.
Thou sublime child of fantasy.
Garbed in thy shimmering
leaves of green.
Emblem art thou of chastity.
Thou lovest not the winter's
cold,
Nor tropic burning midday sun.
Thou lovest not the pouring
rains
Nor lash and thrust and whip
of winds.

From what ethereal abode
Or from enchanted isles.
Comest thou thus to grace our
lives
And teach us beauty's wiles.

Was it mayhap from far Ca-
thay,
Or Isle of Avalon
Where neither bitter wind nor
cold
Could mar thy tender form.
From whatsoever land thou
art,
Thou'rt welcome evermore,
And here in California's clime
Make thou thy home once
more.

—Albert T. Barlow.

Hartman's Pharmacy Sale Success Lauded

Hartman's Pharmacy was singled out Thursday evening as being "particularly successful" in its Spring Rexall One-Cent Sale conducted here.

At the Rexall district meeting held in Los Angeles, Mr. Hartman's report of a 50 per cent increase in sales over the One-Cent Sale of last spring was praised by Reid Crane, district manager.

Mr. Hartman also reports a 20 per cent increase in sales volume over his fall sale—which traditionally is supposed to be the heaviest of the year.

The local merchant attributed the "striking increases" to advertising.

TOURISTS SPEND 20 MILLION HERE

Southern California's tourist business brought in approximately \$20,000,000 of out-of-state cash last month, the All-Year Club announced last week.

Funeral Held for Earl E. George

Earl E. George, son of Mr. and Mrs. Lewis George, 201 N. Canon, passed away last Monday, April 24, at his home in Banning.

The 23-year-old youth had been popular for many years among Sierra Madre's young people.

He had been working in Banning for the past nine months, where he resided at 483 N. 16th street.

Besides his parents, Mr. George is survived by his wife, Fay, a young son, Kenneth Earl, and a brother, Lewis George Jr., of Sierra Madre.

White Urges 'Yes' On School Bonds

At a recent meeting of the Kiwanis Club, Howell N. White Jr., Sierra Madre City School Board member, spoke on behalf of the \$86,000 school bond issue on May 9 to provide four classrooms.

Mr. White stated that by September, 1951, the elementary school population of Sierra Madre will exceed our present capacity by 60 pupils, and, by September 1952, the facilities will be exceeded by approximately 120 children.

"If the unthinkable occurred—that is, if the bond issue did not pass—double sessions would be inevitable, with a resulting loss to each pupil of one school month a year," Mr. White said.

"There is a corps of so-called 'rugged individualists' in Sierra Madre who always vote 'no' on any proposal," he said. "It is up to Kiwanians and all service club members to surpass these votes."

Mr. White pointed out that there are approximately "500 known 'no' votes."

"But," he said, "there should be 2000 of us who will vote 'yes.' It's not up to us to ensure those who feel they must vote against any expenditure of money."

"Instead, we must be out there 2 to 1 so we can keep on being proud of our town, our school, and of ourselves," Mr. White said.

It's the 10th birthday of Ice Capades, but the Old Smoothies (Irma Thomas and Orrin Markhus) still go on. They are one of the 20 great acts and 10 production numbers in all new 1950 edition which opens today (May 4th) for a limited run.

Civil War Newspaper Printed on Wallpaper

An interesting family heirloom was "rediscovered" last week by Edmund Ledyard, NEWS compositor.

The unusual souvenir is a copy of the July 2, 1863 edition of the Daily Citizen, a newspaper published in the city of Vicksburg, Mississippi.

The famous Civil War siege of Vicksburg being in progress at the time of publication, the paper was printed on wallpaper because of the newspaper shortage. A last-minute editorial note comments that this is the last issue on wallpaper since the Yankees have captured the city. The note states:

"Two days bring about great changes. The banner of the Union floats over Vicksburg. General Grant has 'caught the rabbit', he has dined in Vicksburg, and he did bring his dinner with him. The Citizen lives to see it. For the last time, it appears on wallpaper. No more will it eulogize the luxury of mulemeat and fricasseed kitten—urge Southern warriors to such diet never more . . ."

Anticipating Permanent Home In Sierra Madre

Mr. and Mrs. George Feichtmann are practically Sierra Madre residents. Their home on South Baldwin at Bonita is nearing completion and their little daughter is registered at the Community Nursery School where Mrs. Feichtmann is a mother teacher two days a week.

The family is living in San Gabriel temporarily until the home is complete; Mr. Feichtmann is a Los Angeles business man where he conducts an accounting Service Co. The Feichtmanns are graduates of Northwestern where they became acquainted when Mrs. Feichtmann, a native of Texas, met her husband when she went to Chicago for university training.

Open House Crowds Inspect Pansy the Cow

They're doing things in a big way in Mrs. Samuel E. McElfresh's second grade class at City School.

One of the latest additions to the classroom is a life-size Holstein cow, completely equipped with a workable udder and milking machine.

Pansy, as she is temporarily called, broods over a flake of alfalfa hay and a bucket of rolled barley, unperturbed as she is poked and prodded from nose to tail. During open house at the school last Friday, Pansy received hundreds of visitors—and the parents were just as curious in their questioning and probing as the children.

Mrs. McElfresh, seeing the cow's value as an educational aid, wheeled it away from a milking machine company. For demonstration purposes at fairs, milk is fed through a tube in the paper mache cow's leg to a rubber bladder inside and milked by machine through the proper apertures. This is not attempted in the classroom, however.

SCHOOLS FACING
'SERIOUS CRISIS'

"California schools are facing the most serious crisis in history, due to a shortage of teachers and the onrush of a record crop of 'war babies.'"

"An increase of more than 800,000 pupils in the public schools of the state is expected in the next 10 years, according to state-wide surveys conducted recently."

These statements were made last week by Dr. Lionel DeSilva, executive secretary of the Southern Section of California Teachers' Association, an organization of more than 30,000 teachers in Southern California.

Dr. DeSilva's remarks were addressed to local school districts on the occasion of Public Schools Week, April 24 to 28.

Mrs. Edward Tate New
Civic Club President

A recent Civic Club election placed Mrs. Edward Tate in the president's chair. Mrs. Bryce Tyler is first vice-president and Mrs. Virginia Smith, second vice-president. The formal initiation will take place in June.

Other officers voted into office are: Mrs. Noel McGarvin, corresponding secretary; Mrs. Walter Johnston, recording secretary; Mrs. Ralph Welch, auditor and Mrs. Marilyn Betten-court, treasurer.

DON MILLER
APPEARS ON TV

Don Miller, popular Sierra Madre pantomime entertainer, has been appearing on the Bill Welch television Show the past two weeks.

Performing on two successive Tuesday evenings, Mr. Miller portrayed Jimmie Durante on April 25, and Al Jolson on May 2.

The entertainer said he will present his act, "Pantomime Capers," on the Saturday night Spade Cooley Show in three weeks.

Mr. Miller's wife, Katie, is a recent addition to the act, he said.

He is a member of the local VFW Post and of the Monrovia Elks Lodge.

Troop Lists
New Leaders

Sierra Madre Boy Scout Troop 2, sponsored by the Holy Name Society at St. Rita's Church, this week announced a new troop committee for the ensuing year.

Chairman of the committee will be William A. Kinney. Henry Nuetzel will serve as institutional representative. Members of the committee are Hawkins, Orf, Sweeney, Hayes, Schmidt, and Sweigert.

Ralph Van Fleet has been named Scoutmaster of the troop, who will be assisted by Augie Rillorta, assistant Scoutmaster; Dick Kinney, junior assistant Scoutmaster; and Bob Kinney, senior patrol leader.

There are 16 Scouts enrolled in Troop 2.

Don't Give up Hope:
He'll Appear on Show

Again this year, Bob Hope will head the list of famous guest stars of stage, screen, radio, and television scheduled to appear on the annual Los Angeles Police Show.

The show will begin today, May 4, and continue through May 17 at the Shrine Auditorium in Los Angeles.

The production will be staged in three parts: the traditional police prologue, a cruise aboard the S. S. Paradise, and a visit to the "Isle of Enchantment."

THRONGS VIEW
RAMONA PLAY

With attendance for the first performances among the largest in the history of Ramona Outdoor Play, preparations are being made to entertain another record throng for the fifth and sixth presentations, Saturday and Sunday, May 6 and 7.

Attendance for the opening weekend surpassed that of last year by more than 600 persons. The pageant is presented in the famed Ramona Bowl, near Hemet.

Lampshades Go On
Display Tomorrow

Original lampshade creations will be on display tomorrow afternoon and evening (May 5) at the Drapery Shop, 12 E. Duarte Road, Arcadia.

The lampshades are products of a craft class instructed by Daisy Alder, a teacher of adult education courses for several years. She also is one of Sierra Madre artist Alfred James Dewey's art students.

OLD FRIENDS—Here are the two men instrumental in the recent sale of Roberts Buick agency, 135 W. Foothill, Monrovia. At the left is the new owner, O. E. Becherer, while Robert Roberts is at the right. They have been friends for 23 years.

ROBERTS BUICK
TAKEN OVER BY
O. E. BECHERER

O. E. Becherer last week took over the Roberts Buick agency, W. Foothill boulevard, from Robert L. Roberts, owner since 1945. The two men have been friends for 23 years and Mr. Roberts was the man who hired Mr. Becherer for his first job with Buick.

Mr. Becherer has been with the company ever since that time, except for the three years during the war, when he was staff assistant in the engineering department of Lockheed Aircraft, specializing in organization and budget.

The new owner of the agency has been looking for a location for the past 10 years, and when he heard, through downtown Buick offices, that the Monrovia agency was available, he immediately applied and was approved. Mr. Roberts didn't know his old friend was to take over until a few days before the transaction took place.

Mr. Roberts and his wife will continue to reside at 340 W. Scenic drive, Monrovia, and Mr. and Mrs. Becherer and their two daughters, Jo-Ann, 13 years old, and Christina, 4 years old, also are residents of Monrovia.

Lawrence Walters will continue as sales manager and Mrs. Juliana Coe as secretary and treasurer of the local corporation. The firm name will be changed to Becherer Buick, Inc.

VFW Softball
Team Earns
2 Victories

Sierra Madre's V.F.W. softball team got off to a good start in Owl League play with two victories during the past week.

Last Wednesday, the local team edged out Cal-Lake 2-1 in a hard-fought contest at Brookside Park. Dixon's homer in the sixth inning—one of the longest ever recorded at Brookside—was the margin of victory for Sierra Madre.

On Monday of this week, the Pasadena Police Department was finally put down by a 2-1 score. Dixon again came through—this time by scoring from second base on an error. Shepherd's single in the seventh brought in the deciding run.

In both games, Pitcher Joe Grippi kept the hits well scattered and, with a little faster fielding, would have scored shut-outs. He did not allow a base on balls in either game.

HOOSIERS PLAN
GET-TOGETHER

Hoosiers from Indiana will get together Sunday, May 7, at Sycamore Grove Park, Los Angeles, when their state society stages the annual spring picnic and reunion.

An entertaining program will begin at 2 p. m., according to Clyde I. Burkholder, society president.

'The Heiress'
Now Playing
In Pasadena

Dynamic drama, "The Heiress," is the current attraction at Pasadena Playhouse.

Set in a Washington Square mansion, the play chronicles the love story of a hopelessly plain wallflower—whose only social grace seems to be a flair for embroidery—and her courtship by a handsome and glamorous idler.

Under the direction of Gilmer Brown, the cast includes Peggy Campbell, Thomas Skinner, Charles Davis, Kay Nielsen, Sala Landon, Dorothy Perkins, Thomas Neet, Estelle Fugate, and Helen Biberman.

Harry L. Embree Post
Becomes Official Name

Sierra Madre's VFW Post officially became the Harry L. Embree Post last night during dedicatory rites conducted at the Old Adobe.

The ceremony was conducted by Joseph Baleau, sixth district VFW commander, and Marie Slocum, auxiliary president for the sixth district.

The local post was named in honor of Mr. Embree, who was the first Sierra Madre VFW member killed in action during World War II. He was not the first Sierra Madren lost in combat, as was reported in the NEWS last week.

The post previously had been called Post 3208.
